Warranty Process:

- Determine if the Malfunction is Warranty Related
- Submit the US Mower Warranty Authorization Form. This form can be found by Scanning the QR Code provided with the Tractor or contacting US Mower. Images and other supporting documentation can be submitted at that time.

Approved Warranties will be credited, or replacement components will be shipped per shipping policy. If a US Mower Dealer/Service Center is required for evaluation or labor, it must be approved in advance by US Mower. Please call our factory for service center authorization. If purchased through a dealer, please use that dealer if possible, for all service. Dealer labor rate agreement must be approved in advance by US Mower.

Shipping/Freight Policy During Warranty Process:

- Components and or parts that require evaluation at the factory must be shipped freight pre-paid.
- All parts shipped will be invoiced at the time of shipping.
- A credit will be issued for the replacement component and or part(s) plus freight if any, pre-paid when it is determined that warranty is applicable.

Damage and Injury:

- US MOWER liability is specifically limited to the replacement of components and or parts for its products if a warrantable defect is covered.
- Collateral damage to property and or personal injury is exclusively the responsibility of the owner and or operator since US MOWER has no control over the circumstances in which its equipment is used.
